

TECHSPIRE COLLEGE

Office of the Principal | Department of Computing and Technology

NOTICE

Ref. No.: TSC/EVT/2026/087

Date: October 6, 2026

Subject: Final Day of the AI Engineering Bootcamp on October 7, 2026

This is to inform all participants, students, faculty members, and staff that **Techspire College**, in association with **Cloud AI**, will hold the **final day of the AI Engineering Bootcamp** on **Wednesday, October 7, 2026**.

Event	AI Engineering Bootcamp (Final Day)
Date	Wednesday, October 7, 2026
Organized by	Techspire College
In association with	Cloud AI
Venue	Techspire College Campus (hall/lab to be confirmed)
Reporting Time	Participants to arrive 15 minutes before the session

The final day will conclude the bootcamp with project presentations and demonstrations, followed by feedback and the distribution of certificates to participants who have met the attendance and project requirements.

All enrolled participants are requested to attend, carry their college ID and laptops, and ensure that their final projects are ready for submission. Punctuality is strictly expected.

For any queries, participants may contact the bootcamp coordinators at the department office.
